

Jorgensen Albums

Jorgensen are world-leaders in providing stunning quality albums hand made from the finest materials. Jorgensen albums are traditional in the sense that they are professionally printed photographs mounted on pages and then finished with a high-quality overlay but the comparison to old-fashioned photo albums finishes there, they are absolutely stunning.

Our Jorgensen Album includes a Leather covered album with up to 30 images in a twenty page album measuring 12"x10" and is £750
